BEYOND 1492: WHAT THE LAND HAS TO TEACH FOR A SUSTAINABLE FUTURE

October 10, 2016 | 4:00-5:00 P.M. | Indigenous Garden, Turfgrass Research Center, 615 Southgate Drive, Blacksburg, VA 24061

Take a tour through the Indigenous Garden to learn about traditional uses of the various plants grown there and intercropping techniques from Victoria Ferguson, a Monacan Horticulturalist who directed the original planting of the Monacan portion of the garden.
